"There's a lute unswept, and barp without strings; There are broken your and pleces of rings, And the garments the used to wear. There are hands that are waved when the fairy share By the mirage is lifted in air; And we sometimes hear, through the tarbulent roar, Sweet voices we heard in the days gone before. When the wind down the river is fair.

Oh I remembered for aye be the blessed iste, All the day of life, till nigh? And when evening comes, with its beautiful smile, And our eyes are closing to slumber awhile, May that "Greenwood" of soul be in sight.

He who is a tiggr in his own family is generally a sheep in society. What is that which is always invisible

and never out of sight? The letter I.

New York city is remarkably healthy and all fears of the cholera have vanished. Advices from New Orleans say that the met her, and drawing a knife and pistol entire coast is healthy, with no evidence of forced her to go several miles into a dense either choleva or fever.

There is something consoling for every ill in this life. For instance, if a man is bald-headed his wife can't pull his hair.

with death, if it were ten years hence, if she European advices to the 16th ult. state that the cholera had appeared in Liverpool, and the number of deaths were increasing daily.

" How fast wicked men can go on in their taken home and the ordeal through which sin!" exclaimed a good but unsophisticated she had passed revealed to her husband old lady; "it only takes two seconds to The whole neighborhood was soon out in fight a duel!" A starving corset-maker thus vented her was arrested, and taken to Americus for

miserable complaint: - " Shame that I trial. The lady recognized him, and the should be without bread-I that have stayed husband unable longer to restrain himself, the stomachs of thousands." Oil City, Pa., on last Saturday, was nearly immediately arrested by the authorities and destroyed by fire; seventy-five stores eight

hotels, forty dwellings, and a church and for his appearance at the next term of the seminary, were burned. Loss \$500,000. President Johnson has issued an order for the arrest of all officers of the Freedmen's Bureau who are interested directly or indirectly in the cultivation of farms in the South-

The laying of the corner-stone of the duct an argument; but the intuitive judg-Douglas Monument at Chicago has been ments of women are often more to be relied postponed from the 13th of June to the 4th upon than the conclusions which we reach of July, when it is intended to make a grand | by an elaborate process of reasoning."

the ceremony. man, an officer of the church, we regret to on the instant, and with unerring accuracy, say: "Do you see that man? You could which you had been poring over for hours, man, an officer of the church, we regret to blow his soul through a humming bird's perhaps, with no other result than to find quill into a mosquito's eye, and the mosquito wouldn't wink!"

A young lady went into a store to buy a piece of music, entitled, "When I Sleep I bream of Thee;" but, by ludicrous mistake, she astonished the young man by enquiring if he had the music entitled "When I Dream I Sleep with thee."

The Holly Springs Reporter, of the 1st, in flight of stairs, he will be sure to find a woman speaking of the crops, says:

"In Marshall county, from all we can however, is of little moment. If the conclucarn, not more than half a crop of wheat sions a woman has reached are sound, that learn, not more than half a crop of wheat can be expected, and we will be thankful for even that much under the circumstances."

Said a gentleman to another in a ball room, "Who is that ugly woman, with whom you were just walking?" "That is my sister." "No, no, I don't mean her" explain-ed his unfortunate interrogator, "I mean that horrid, red-baired creature by her side." "That, sir, is my wife."

Anti-Smell.—The Missouri Republican to her. he calls the "Anti Baomadic Pedagogue. It is intended to remove the odor from citizens of African 'scent, and will no doubt make an immense fortune for the inventor, unsightly plain. He who has no regard for as every Yank who marries a "colored the appearance of his own premises, not only lady" will need an immense quantity of sinks the value of his own property, but also it during the summer months.

General Scott in his autobiography, published in 1864, pays this devoted tribute to his own home attractive contributes to the

s beloved mother:
"If, in my now protracted career, I have rising value of all the region around him.
He is thus a public benefactor, contributing achieved anything worthy of being written, not merely to the gratification of the taste of anything that my countrymen are likely to those who look upon his improvements, but honor in the next century, it is from the les- adding to the real marketable value of the sons of that admirable parent that I derived property in his vicinity.

We clip the following from the Nashville pense upon those who are ill able to afford BOOTS, SHOES, NOTIONS, &c. Press and Times of the 30th ult.: ress and Times of the 30th ult.:

"The incorporators of the Colonial and so poor but that he can plant a few trees be-

Immigration Society, chartered by act of the fore his dwelling. No man is so poor, that Legislature, met yesterday and organized by the must have his pig-stye at his front door, the election of the following officers:

We only contend that every man should ex-General George H. Thomas, President; ercise that taste which God has given to General R. W. Johnson, Vice President; F. every man. And though we may not be R. Cheatham, Secretary; Anson Nelson, able to vie with the rich in the grandeur of Trensurer; Dr. Saunkeke, Immigration our dwellings, the lowliest cottage may be

Directors.—General George H. Thomas, industry and of neatness may make it a General R. W. Johnson, Michael Burns, J. home full of attractions. Let there once be J Giers, Judge Watson, Colonel Paromore, formed in the heart of man an appreciation of the beautiful, and the work is done.

A "loyal" exchange editor says the new the scene around him will be assuming new Williamson, Hill & Co. fifty cent shinplaster looks so much like a quack medicine label, that he "involuntarily tarns it over to see if it cures corps, bunions and whooping cough." He says, further, All are but tenants-at-will. We are all soon Whosever you that it contains as many colors as the ban- to leave, to return no more. Wherever you dana turban of a showy negress. On the dwell, even if it be in your own hired house centre of the face close by a cloud of dust, but one short year, be sure and leave your sits a fat, misshapen female, covered with impress behind you-be sure and leave some small-pox blotches. Her right arm rests on a coop, through which may be seen an owl benevolent man will love to plant a tree besitting on a pile of old clothes in the distance, neath whose shade the children of strangers and in the right hand is grasped an umbrella are to play. It does the heart good to sow stick. Her left hand grasps something the seed, when it is known that other lips which a lively imagination may conceive to than yours shall eat the fruit. be a pair of scales. One foot appears done is out its moral issue. The love of home is treasury artist has a lively imagination one of the surest safeguards of human virtue,

and he who makes home so pleasant that Judge Burnett, of Ohio has written a letter his children love it, that in all the wanderings to a member of Congress in relation to affairs | of subsequent life they turn to it with delight, that came under his notice while acting as | does very much to guide their steps away | Between Monroe and Union Streets, Treasury Agent at Natchez. He thus speaks from all the haunts of dissipation and to form in them a taste for those joys which of a reign of terror which he witnessed:

If a complete, impartial narration of the are most ennobling. facts of oppression and fraud, of the insulting outrages against personal rights, perpetrated during the "reign of terror" inaugurated and maintained by those two commanders, could be written, with a statement of the and fifteen wounded. The Canadian loss amount stolen from the Government or black- was twenty-two killed and wounded, among mailed from the citizens, I doubt if history whom was a Licutenaut Colonel. could furnish its parallel. The question was not who was entitled to favors, but who could pay for them; not who was loyal, but who had anything to steal. To describe to Italian troops. In his letter of acceptance, you the condition of affairs under their com- he says: "I hope soon to participate with Back of Larry Harmstad's office, opposite Commercial hotel, mand is impossible. As I said to General Smith, of the investigation commission in New Orleans, "to comprehend it you must times of the country." What those destilive under it.

That like crimes, under like pretext, were committed in other departments, there is no reason to doubt; indeed, I have heard the amount of property destroyed and carried of by that amphibious organization, the "ma St. Louis on the morning of the 2nd inst. The Ida Handy belonged to the ill-fated At-

rine brigade," estimated \$9,000,000. Is it not one of the most singular things lantic and Mississippi steamship company, in the world that Southern people, under such considerate treatment, do not become instantly loyal and very much in love with | pany has lost since the first day of last Notheir benignant rulers? How ungrateful vember, on all of which, there was not a we must be .- Vicksburg Whig.

Fiskiana. Local Advertisements. The Freedmen's Courts in the State of Tennessee have been abolished by a circular Book and Job Printing. just issued from the office of Gen. Fisk, which says: "The General Assembly of

Terrible Retribution.

A dispatch from Atlanta to the Cincin-

"A most outrageous rape was perpetra-

ted in Sumpter county, a short time ago, Mrs. Gresham, a highly respectable and in-

elligent lady, started to a neighbor's house,

half a mile distant. When about half-way

a negro fellow, of notoriously bad character,

swamp, where she was detained for thirty-

six hours, and brutally outraged. The par-

ticulars are horrible. At the end of two

days and a night the frantic woman was

released by the negro, who threatened her

"After wandering several hours in the

woods she came to a house nearly exhaust-

ed and her mind nearly gone. She was

search of the negro, but failed to find him.

In a day or two, however, he returned and

rushed upon him, and with three well direct-

ed shots, was revenged. Mr. Gresham was

required to give bond in the sum of \$20,000

Intuitive Perceptions of Women

In a conversation I once held with an emi-

nent minister of the Church, he made this

fine observation: "We will say nothing of

the manner in which that sex usually con-

accustomed to the society of educated women,

will dispute this. Times without number

yourself getting deeper and deeper into the

mates to the sure instinct of the animal races;

and yet there seems to be some ground for

the remark of a witty French writer, that,

at the top; but she will not be able to tell how she got there. How she got there,

And that they are very ant to be sound

on the practical matters of domestic and

secular life, nothing but prejudice or self.

conceit can prevent us from acknowledging-

The inference, therefore, is unavoidable,

that the man who thinks it beneath his dig-

nity to take counsel with an intelligent wife, stands in his own light, and betrays that

lack of judgment which he tacitly attributes
